About Voyage Care

Voyage Care provides support for people with learning and physical disabilities, brain injuries, autism and other needs across the UK. Voyage Care offer person-centred pathways of support in both people's own homes and registered care homes. Voyage Care is committed to providing high quality care and support, and with over 94% of services rated as Good or Outstanding they are firmly at the leading edge of quality in the care sector. Based in Lichfield, Staffordshire, the company has been owned by Partners Group and Duke Street since September 2014.
