Voyage Care Bondco plc announces sale of the Voyage Care Group to Wren House

Voyage Care Group today announces that it has been acquired by Wren House Infrastructure, the experienced infrastructure fund based in London, from Partners Group, a leading global private markets firm, acting on behalf of its clients, and Duke Street, the European mid-market buy-out sector specialist.

The new investment will enable us to build on the progress made to date, where quality remains at the forefront of all we do, as well as achieve our continued growth aspirations.
