

How do I get on the Hive app if I already have an account?

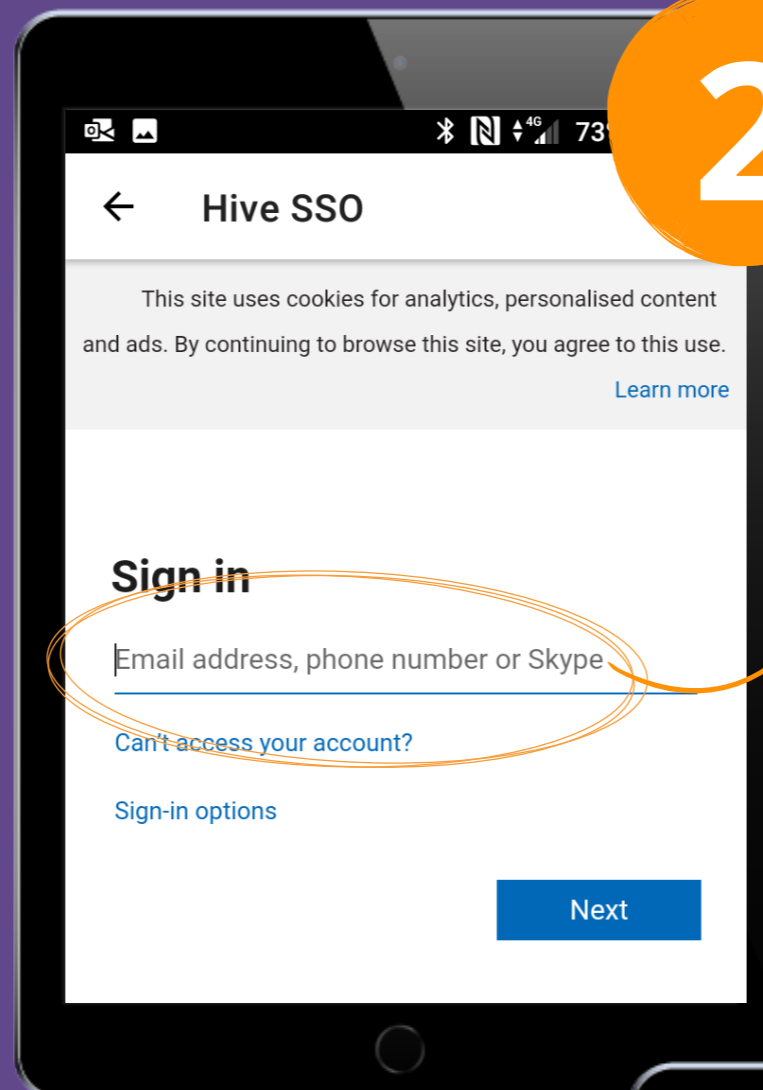

1

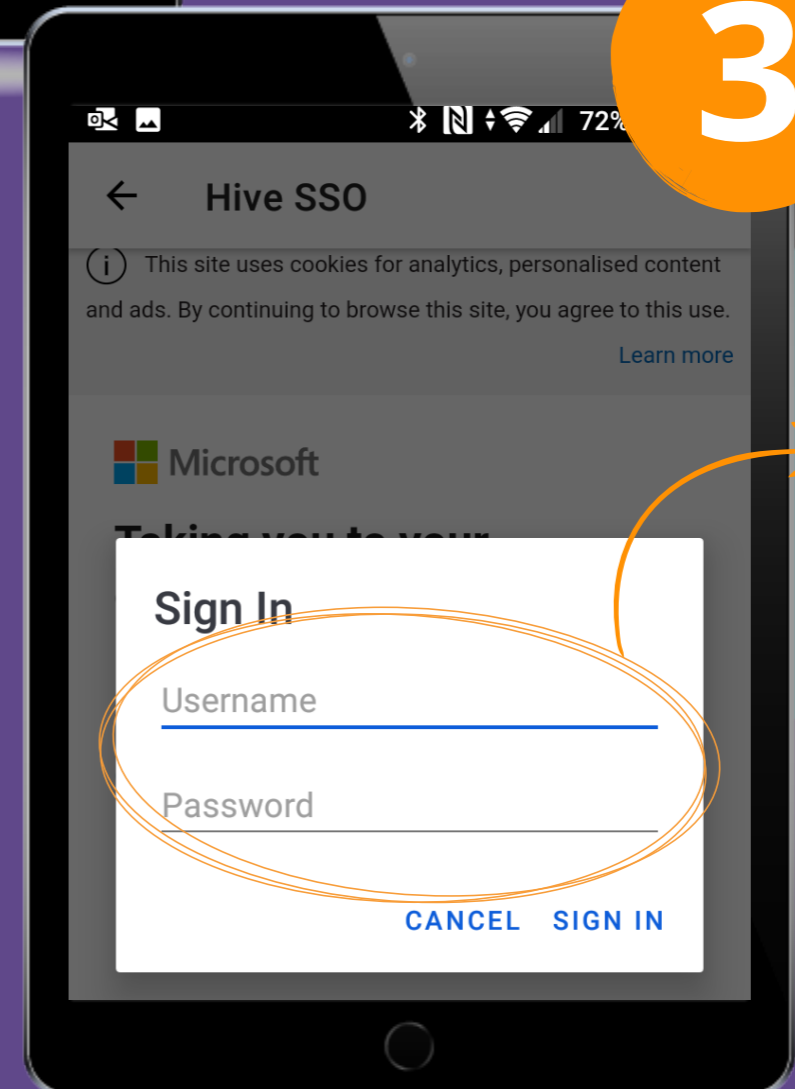

To log into the app, you need to type in the url.  
This is:  
**hive.voyagecare.com**

2

Next, you will be asked to enter your email address.  
This is your normal Voyage Care email address e.g.  
**JoeBloggs@voyagecare.com**

3

Finally, you need to type your username and password, this is the same you would use to sign into your email or desktop:  
Your username is your first name and surname with no spaces. e.g.  
**JoeBloggs**

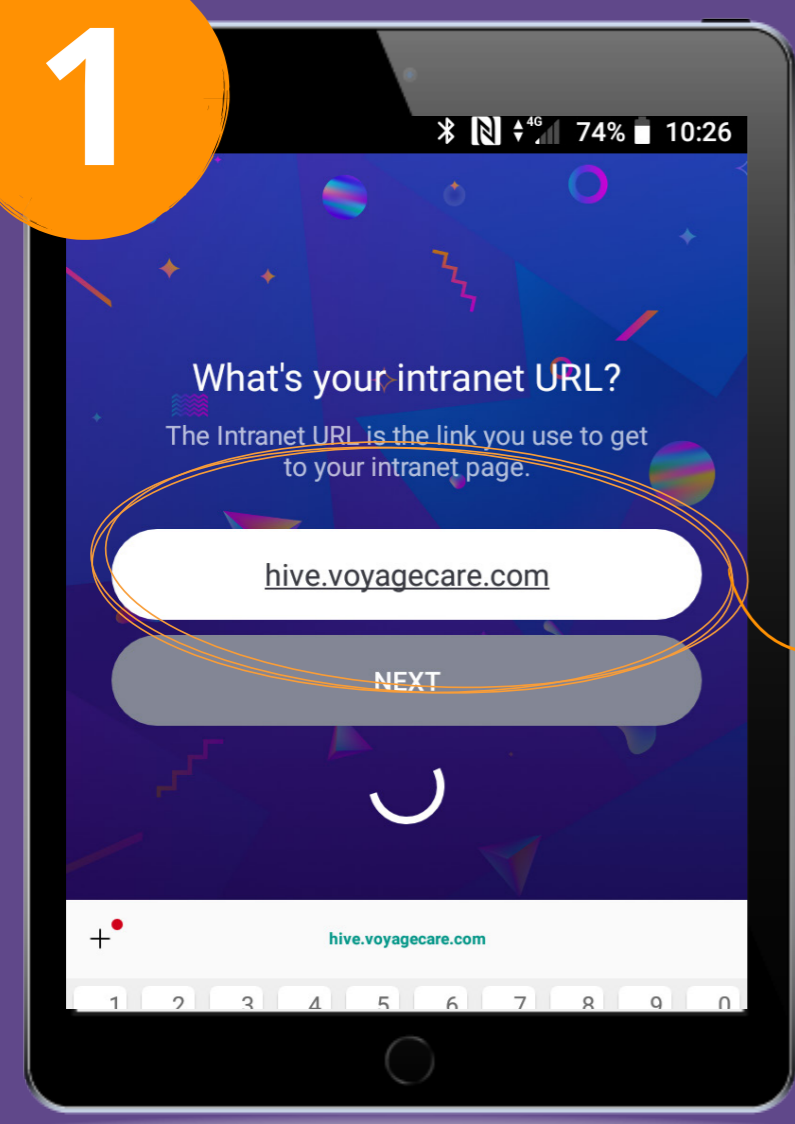

Tip! Make sure you don't put a space in your username!

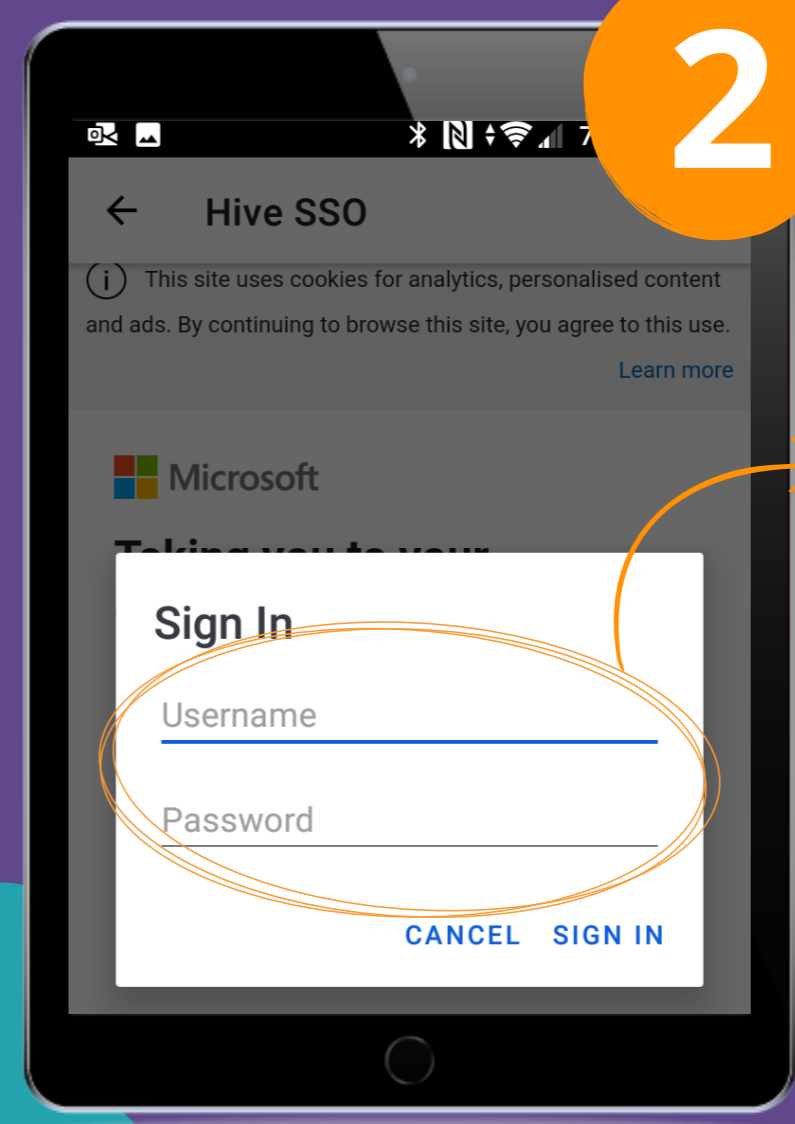

How do I get on the Hive app if I am not desk based?

1

To log into the app, you need to type in the url.  
This is:  
**hive.voyagecare.com**

2

Your username is your first name and last name  
e.g. JoeBloggs  
When you first log in your password will be:  
Voyagecare1

Tip! Make sure you don't put a space in your username!

3

Once you have logged in, you will be asked to create your own password for future log ins, so that access to the app is kept secure.  
If you have any problems you can contact the Communications team:  
**communications@voyagecare.com**
