# Devonshire House

Located in Manchester, Devonshire House is a **purpose built brain injury rehabilitation centre** with three units. Each unit is dedicated to supporting each stage of your rehabilitation journey with us.

From **residential support** at the start of your rehabilitation pathway, to transitional flats for when you're ready to be more independent or **move back in to the community**, we'll provide the right support for you as and when you need it most.

Surrounded by **lawned grounds and a communal courtyard**, Devonshire House offers plenty of space for socialising and engaging with housemates.

Our rooms are modern, spacious and have lovely views overlooking our gardens.

Rooms are **wheelchair friendly** and can be fitted with a hoist and overhead tracking if required.

We benefit from **excellent transport links**, convenient for visits from friends and family or accessing the local community.

# Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

# Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

**Multi-functional gym**, featuring specially selected equipment to enhance physiotherapy delivery.

**Dedicated therapy area**, including an adapted training kitchen, to support you in regaining your independent living skills.

**Sensory garden**, with a colourful vegetable patch, hanging baskets and bird feeders.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Art Therapy to Neuropsychology and Neurophysiotherapy**.

To support your rehabilitation, we promote a range of **functional and social activities** at home and in the local community.

# Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

## **Your choice - you in control**

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

## **Support to live your life**

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

## **Expert professionals**

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

## **Use of technology**

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

# Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding\*** by the Care Quality Commission.

**Our highly trained, specialist teams** use an individualised approach to their support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.
