Bramley Avenue

Bramley Avenue is a purpose built, large five-bedroom residential bungalow in Melbourn supporting those with learning and physical disabilities. Designed to support wheelchair users, this home features wide corridors, low work surfaces, an adapted bathroom with changing table and shower plus bedrooms with ceiling tracking and hoists.

With lots of space, we have an ample-sized dining area and a lounge with comfy sofas - perfect for cozy chats, stories or watching TV and films. We also have a relaxing sensory area with bubble tubes, mirrors, fiber optic lights and a water bed.

Located next to a local farm, there are lovely views from the property across the countryside. Bramley Avenue is also within walking distance of local shops and a short drive away from the centre of Cambridge and Royston. Melbourn itself is an idyllic, quiet village with a church, train station, food shops, chip shop and a local Eco Hub & café.

Our two onsite adapted minibuses enable us to take lots of day trips and be a part of the local community. As an active group, we love being involved in outdoor activities such as swimming at the Windmill hydrotherapy pool, going to the cinema, bowling, visiting country parks and so much more!

Our vacancy

We currently have one vacant room, which has recently been decorated in neutral tones. Here at Bramley Avenue, we encourage you to personalise your room to suit your personal tastes.

The room contains a double wardrobe, profiling bed, two chests of drawers, a sink, shelving, wall mounted TV and DVD player plus sensory lights. This room also overlooks our beautiful back garden with flowering bushes, trees, raised flower beds, vegetable plot, patio and a summer house.

Our current residents are both males and females aged 25-64. They are a social group who love to take part in lots of in-house activities, such as crafts, baking, music, sensory session, themed nights and pamper sessions.
