Parkbrook Lodge

Parkbrook lodge is a residential care home located in Uttoxeter. Here, we support up to ten individuals with learning disabilities, autism, Prader-Willi syndrome, and complex needs.

The large Victorian style home has lots of communal space, including our lounge, dining room and conservatory which leads out onto the spacious garden. Plus, did we mention the log cabin that residents use for activities?

Parkbrook lodge is surrounded by a picturesque rural setting, overlooking a golf course and nearby lakes. The home is within walking distance of Rocester town and the larger town of Uttoxeter is a short drive away.

The local area has a range of leisure facilities, including many shops, a bowling alley and a cinema. For those wanting to travel further afield, we have great transport links and a local train service too.

We're keeping you safe

Our main priority at Voyage Care is to help you lead the life you want, in a secure and safe way. Throughout the COVID-19 pandemic, our team is constantly updating our approach based on the latest Government policies and procedures, with steps in place to reduce the risk of transmission.

Some of our COVID safe actions include:

- Weekly COVID-19 testing for all our support staff.
- Maintaining service-level plans to reduce the risk of infection spreading and manage any outbreaks.
- Keeping a focus on infection control and hygiene protocols, including a robust supply of Personal Protective Equipment (PPE).
- Enabling a convenient virtual assessment process. This includes the use of online meetings, tours and chats with the team.
- Using technology to keep you in touch with your loved ones when socially distanced visits are not possible. This includes virtual picnics, movie nights and quizzes.
- Focusing on your mental well-being throughout this difficult time through home-based activities – some of our services have even created their own pop-up pubs!
