## Our vacancy

We currently have one vacant room at Uppingham Gardens. This first-floor room is fully furnished with a bed, chair, wardrobe and drawers. There is a sink in the bedroom, and it shares a spacious wetroom with a shower on the same floor.

The home has a gentle pace of life, and we are looking for a new house mate that will enjoy our relaxed social activities, including trips to the local coffee shop and walks in the surrounding parks.

# We're keeping you safe

Our main priority at Voyage Care is to help you lead the life you want, in a secure and safe way. Throughout the COVID-19 pandemic, our team is constantly updating our approach based on the latest Government policies and procedures, with steps in place to reduce the risk of transmission.

Some of our COVID safe actions include:

- Weekly COVID-19 testing for all our support staff.
- Maintaining service-level plans to reduce the risk of infection spreading and manage any outbreaks.
- Keeping a focus on infection control and hygiene protocols, including a robust supply of Personal Protective Equipment (PPE).
- Enabling a convenient virtual assessment process. This includes the use of online meetings, tours and chats with the team.
- Using technology to keep you in touch with your loved ones when socially distanced visits are not possible. This includes virtual picnics, movie nights and quizzes.
- Focusing on your mental well-being throughout this difficult time through home-based activities – some of our services have even created their own pop-up pubs!

During these unprecedented times, we understand how difficult and confusing it can be. We're here to support you by sharing reliable and honest information, keeping you informed of our response and shining a light on all the positive things happening in social care.
