Waterbeach

Waterbeach is a residential bungalow which provides support for up to four individuals with learning disabilities, physical needs, autism and other complex needs such as epilepsy and PEG feed.

We are located in the quiet village of Waterbeach, situated just outside of Cambridgeshire. We have an adapted vehicle available, plus we are near to the train station and a local bus, which travels to the city centre.

With a large lounge and modern kitchen-diner, Waterbeach has lots of communal space for residents to socialise. We also have a spacious enclosed garden, which is wheelchair friendly. Our garden includes a patio area which is perfect for summer BBQs!

The home is just a five minute walk from a GP surgery, and a two minute walk away from the local shops, pharmacy and pubs. Residents can take part in many community days in the local area, such as car boot sales and celebrations on the green, which is just a stones throw away from the home.

The vacancy

Waterbeach is a bungalow style four-bed property. All the bedrooms are double size with their own wash basin. The shared wetroom with ceiling tacking enables individuals to relax in an adapted bath or shower.

We currently have two vacancies at Waterbeach. Both are spacious rooms with the first vacancy overlooking the garden. Each room comes with a new wardrobe, dressing table and chair, we also encourage residents to personalise their room to suit their tastes.

The current residents at Waterbeach love to be active so enjoy going to local bowling alley, cinema, shopping, visiting garden centres and meeting up with friends. Some also enjoy attending the local church each week.

Waterbeach is perfect for somebody who is looking to increase their independence and confidence in a supported setting.
