

# Beechwood, Surrey

# A place to call home

Beechwood is a lovely residential home in Hindhead, Surrey. The service supports up to five people who have learning disabilities, sensory impairments or require nursing or personal care.

As a homely bungalow, Beechwood is accessible and is adapted to suit the needs of the individuals living here. The service has two shared bathrooms, one of which has a seated bath chair hoist.

The people we support enjoy spending time together in the large lounge and dining area. They love watching movies, baking cakes and playing games.

Each resident has a personalised activity timetable, which they create with their support worker. We review these regularly with new ideas to accommodate any changes and achievements.

Communication is extremely important, and at Beechwood we have great relationships with residents and their loved ones. We ensure that loved ones are involved and updated as much as possible.

We spend a lot of time at the beach, going bowling, visiting the beautiful countryside, having meals out at local restaurants and more! We also access a local activity centre where we participate in boating, archery, t-shirt printing and crafts.

Just a short walk away is Grayshott village, where our local GP surgery is located as well as a local pub, chemist and local shops.
