A place to call home

Barn Rise is a residential care home for up to six adults with learning disabilities, autism, physical disabilities and complex needs.

Our home has spacious communal areas including a large living room with patio doors, kitchen, dining room and utility room. The vibrant garden is where you'll often find us in the warmer months, planting seasonal flowers and herbs. Residents enjoy playing garden games and relaxing in the communal areas.

Located in the peaceful, residential area of Wembley, we are just a 15-minute walk from the high street and park. Here, you can find shops, hairdressers and our local pub. Football fans will be pleased to hear that Wembley Stadium is on our doorstep! We also have a vehicle, which is perfect for trips further afield.

Our vacancy

We currently have one vacancy at Barn Rise. Located on the first floor, the spacious double room even has its own sofa! With large bay windows, the room is light and airy.

Barn Rise is perfect for somebody looking to grow their independence in a fun and homely environment. Our dedicated team are very positive and encourage personalised activity schedules.

"The staff at Barn Rise really cares for my relative and all the other people, they always try new things and he always looks happy when I visit".
