

Longridge Court, Gloucestershire

CARE HOMES by
voyagecare 

Longridge Court

Longridge Court is a residential care home supporting up to twelve people with learning disabilities, physical disabilities and autism.

This fully accessible home offers residents a spacious lounge, dining room, and an in-house sensory room. There are also two large gardens offering relaxing spaces to sit and enjoy the country air, or play garden games. We also have an allotment and greenhouse where the people we support enjoy growing plants and vegetables.

Our home is located in Bulls Cross, surrounded by the beautiful Gloucestershire countryside. We are within easy reach of the bustling towns and villages of Gloucester, Stroud and Dursley.

We have a highly trained staff team who are experienced in providing support to individuals who have multiple learning disabilities, physical disabilities, rare and complex conditions, sensory loss, epilepsy, dysphasia and other feeding difficulties. Our team are person centred and focused on supporting individuals to develop to their full potential, have fun and live fulfilling, stimulating lives.

Our vacancy

We have one vacant bedroom at Longridge court. The room is located on the ground floor and has its own en-suite bathroom.

The bedroom is decorated in neutral tones, however we do encourage residents to decorate their room to reflect their individual interest and taste.

Our residents enjoy taking part in activities at the home including sports in the garden and pamper days. We also have three house vehicles enabling residents to pursue their own choices of activities and enjoy day trips. The residents at Longridge Court are supported to be active members of the local community, enjoying village events and taking part in fun days.

We're keeping you safe

Our main priority at Voyage Care is to help you lead the life you want, in a secure and safe way. Throughout the COVID-19 pandemic, our team is constantly updating our approach based on the latest Government policies and procedures, with steps in place to reduce the risk of transmission.

Some of our COVID safe actions include:

- Weekly COVID-19 testing for all our support staff.
- Maintaining service-level plans to reduce the risk of infection spreading and manage any outbreaks.
- Keeping a focus on infection control and hygiene protocols, including a robust supply of Personal Protective Equipment (PPE).
- Enabling a convenient virtual assessment process. This includes the use of online meetings, tours and chats with the team.
- Using technology to keep you in touch with your loved ones when socially distanced visits are not possible. This includes virtual picnics, movie nights and quizzes.
- Focusing on your mental well-being throughout this difficult time through home-based activities – some of our services have even created their own pop-up pubs!

During these unprecedented times, we understand how difficult and confusing it can be. We're here to support you by sharing reliable and honest information, keeping you informed of our response and shining a light on all the positive things happening in social care.

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by our sector-leading 95% Good or Outstanding* quality ratings by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can be assured that your needs are at the centre of all we do.

**Data accurate as of April 2021*

"Staff were committed to helping people achieve their goals and to ensuring people's disabilities did not prevent them from living a fulfilled and happy life. People were supported to participate in activities they enjoyed and were interested in."
