Mile House Lane

Mile House Lane is a seven-bedroom property located in a quiet residential area of St Albans. The beautiful property has been renovated within recent years but still retains its original character. Features of the home include a large communal lounge and dining area, conservatory and kitchen as well as a large and secluded rear garden, which is laid to lawn with a large patio area and paths around the house.

The property is perfectly located close to the town center, meaning only a short walk to local shops and attractions. In the local community you can find, bowling alleys, leisure centers, cinemas, parks and restaurants, these can all be accessed at any time by our two onsite vehicles.

In 2019 Mile house Lane was nominated for a Hertfordshire Care Award and also nominated in the Voyage Excellence Awards. Not only that, over the last three years the home has had a score of 94% within their Quality Audit and currently has a GOOD rating with CQC and the Local Authority.

The vacancy

Mile house Lane has the facilities to accommodate an individual with a range of needs. The people we currently support are non-verbal and are aged between 34 and 72.

The vacant bedroom is located on the first floor of the property. The room is at the back of the property, overlooking the landscaped garden. The bedroom will be newly decorated, with new furniture including; single bed, wardrobe, bedside table and chest of drawers. Upon joining us, we will support the individual to decorate their room to their own taste and interests so they can be surrounded by all their favourite things.

At Mile house Lane we always have lots of fun activities to take part in, some of these include; music and art therapy, themed parties, afternoon tea, BBQ's and picnics.
