A place to call home

Solna Road is a residential care home for up to 11 adults with learning disabilities, autism, physical disabilities and complex needs.

Our home has spacious communal areas including a bright and airy lounge-diner with patio doors, a modern kitchen, and utility room. The vibrant garden is where you'll often find us in the warmer months as we often invite family and friends over for our summer BBQs and garden game evenings!

Located in the vibrant, residential area of Winmore Hill, we are just a 15-minute walk from the local park and high street. Here, you can find shops, hairdressers and our favourite pub. We also have a vehicle, which is perfect for trips further afield, such as day trips to the cinema, restaurants and library. Our residents also look forward to our annual summer boat trip!

Our vacancy

We currently have three vacancies at Solna Road. Two bedrooms are located on the ground floor and one is on the second floor. The house is fully accessible with wide corridors and a stair lift. All of the rooms have plenty of room for storage and each has it's own sink. The house has two shared bathrooms and a wet room.

Solna Road is perfect for somebody looking to grow their independence in a fun and homely environment.

"I am very grateful for the way they are looking after [Person]. Gradually, they have managed to get [Person] to walk."

We're keeping you safe

Our main priority at Voyage Care is to help you lead the life you want, in a secure and safe way. Throughout the COVID-19 pandemic, our team is constantly updating our approach based on the latest Government policies and procedures, with steps in place to reduce the risk of transmission.

Some of our COVID safe actions include:

- Weekly COVID-19 testing for all our support staff.
- Maintaining service-level plans to reduce the risk of infection spreading and manage any outbreaks.
- Keeping a focus on infection control and hygiene protocols, including a robust supply of Personal Protective Equipment (PPE).
- Enabling a convenient virtual assessment process. This includes the use of online meetings, tours and chats with the team.
- Using technology to keep you in touch with your loved ones when socially distanced visits are not possible. This includes virtual picnics, movie nights and quizzes.
- Focusing on your mental well-being throughout this difficult time through home-based activities – some of our services have even created their own pop-up pubs!

During these unprecedented times, we understand how difficult and confusing it can be. We're here to support you by sharing reliable and honest information, keeping you informed of our response and shining a light on all the positive things happening in social care.
