

Twyford House, Kent

A place to call home

Twyford House is a residential care home in Kent. Here we support up to 12 people with learning disabilities, autism and mental health needs.

Located in Kent, it's a spacious house with lots of communal areas. These include a modern diner-kitchen and a lounge that leads into our garden. We also have a colourful conservatory and a sensory room - perfect for some downtime and relaxing.

At Twyford House, we're a friendly group who love to have fun! This includes enjoying socialising in our garden on our trampoline, or having a BBQ on the patio area.

We are close to local amenities, such as a supermarket and a nature reserve. It's also just a short drive into town where you can visit museums, the cinema, shopping and much more! We love to be an active part of our community and enjoy lots of day trips to Dover Pier, and lots of other local attractions.

Our vacancy

We currently have one vacancy in a good-sized room that looks out over our vibrant garden. This room is on the first floor, so would be suitable for somebody without mobility issues. Decorated in neutral tones, we encourage the people we support to decorate their bedrooms to their liking. This vacancy has its own en-suite complete with a sink, toilet and shower.

Twyford House is perfect for someone looking for a homely residential care home, where they will be supported to improve their independence skills. Our residents are friendly and love to spend their time outside in our lovely garden, film nights in and doing craft activities.
