Our vacancy

We currently have one vacancy. The vacant room is on the ground floor with access to the shared bathroom. We encourage the people we support to decorate their rooms to reflect their individual choices.

The service has a dedicated activity coordinator, ensuring that the people we support continue to develop their own hobbies, skills and interests.

Many of our current residents enjoy baking and often spend time together enjoying their meals in our secluded garden when the weather allows.

Brookfields is a fun and friendly home and our highly skilled team are committed to ensuring that each day has value and purpose for the people we support.
