43 Station Road is a **residential care home** in Berkshire. Here, we support up to six individuals with **learning disabilities and autism**.

Our home is spacious, with plenty of communal areas including a **dedicated activity room**, lounge and kitchen.

We have a large rear garden, which is a great space for activities and BBQ's on a lovely summers day. We also have an **area for growing flowers and vegetables** all year round.

We're not far from London, which offers **enjoyable day trips and a range of activities** for the people we support to get involved in!

## A place to call home

We have **two vacant bedrooms** at Station Road, each with an en-suite bathroom and access to a communal wet room! These vacancies are on the first floor, so are only **suitable for those with good mobility**.

Our current residents **enjoy various activities** outside of the home, such as attending work placements and days out to the local farm to see the animals.

We support residents to be the best they can be, through adapted environments and approaches that **empower them to thrive**.

Our staff support the people that live here to express their feelings and emotions in a positive way, **to achieve their wellbeing goals**.
