3 Barn Rise

Barn Rise is a **residential care home**, located in Wembley, Greater London. We offer **support for up to six people** with learning disabilities, autism, epilepsy and mental health.

Our two-storey detached home has one room on the ground floor with an en-suite bathroom and a shared ground floor shower room. We have five bedrooms on the first floor, one of which has an en-suite bathroom, and a shared bathroom for all other residents.

Residents share a large communal dining area as well as a separate lounge with patio doors leading out to the garden.

Our team arranges **a variety of activities** for our residents, such as bowling, walking, visiting daycare facilities, arts and crafts, baking and listening to music. Residents are encouraged to participate in as much or as little as they choose - **there is something for everyone to enjoy!**

A place to call home

We currently have **one vacant room** located on the first floor. This spacious room has recently been decorated, and features large bay windows that overlook our garden. The room is accessible via a stair lift and has bathroom facilities on the same floor.

The vacancy would be ideal for an individual who would enjoy living in a **calm environment**. We currently have an all male residency at the home, but are open to having a female housemate move in.

We're near many exciting attractions and enjoy trips to local amenities, such as visiting Wembley Stadium, shopping at a London Designer outlet, eating out at restaurants and watching a performance at the theatre.

We also have excellent **public transport links** around London and further afield.
