# Anro House

Anro House is a **residential care home**, set in the coastal town of Deal, Kent. Here, we provide **high-quality support for up to five people** with complex learning disabilities, epilepsy, autism, challenging behaviour and Down syndrome.

Our Victorian-built home is **next to the beach**. It has five bedrooms and a number of the rooms have sea views. The bedrooms are decorated in neutral tones - ready to be personalised to reflect an individual's choice and taste.

Residents share communal areas within the property, including a spacious lounge, a dining room and a kitchen, where residents cook and **learn independent living skills**.

Based in Kent, this service is within walking distance of the town centre and close to public transport links, **perfect for those wanting to explore the surrounding area**.

## A place to call home

We currently have **one vacant room at our home**, which is on the second-floor. The individual will need to be fully mobile to access the second-floor room using the staircase.

This vacancy is ideal for an individual who enjoys a **supportive and caring environment**.

Our residents have varied and individually tailored activity plans, that supports them to do things that are important to them, such as shopping, going to the cinema, enjoying bingo, having tasty meals out and visiting the pub on the sea front.

We also enjoy attending a day centre at the local football club and using the community facilities.
