Westbury House

Westbury House is a **residential care home**, set in the coastal town of Deal, Kent. Here, we provide **high-quality support for up to 10 people** with complex learning and physical disabilities.

Our experienced and friendly team takes the time to get to know our residents and provides tailored support to meet their specific needs.

Our Victorian-styled home is spacious and has many **communal areas** for our residents to relax or participate in activities, including a lounge, a dining room, a kitchen and a garden.

The house also has large stained-glass windows that let in lots of light and a sweeping staircase.

Based in Kent, this service is within walking distance of the town centre and close to public transport links, **ideal for those wanting to explore the local shops and visiting the beach.**

A place to call home

We currently have **one vacant room at our home**, which is on the first-floor with a shared wet room. The first-floor room can be accessed using both the staircase and the lift, for those that need it.

The vacancy would be ideal for an older individual who would enjoy living in a **supportive and caring environment**.

Our team organises enjoyable activities, entertainment and day-trips such as visiting Deal Castle and Walmer Castle, exercising at the local sports centre, playing crazy golf, or splashing around in the on-site paddling pool. All of these activities are tailored to the **interests and hobbies** of our residents.

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by our sector-leading **92% Good or Outstanding*** quality ratings by the Care Quality Commission.

Our **highly trained, specialist teams** use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured knowing your needs are at the centre of all we do.

**Data accurate as of February 2023*

" People were treated with kindness, respect and compassion. Staff took the time to listen to people and engage with them in a meaningful way. Staff knew people well and understood how people communicated."
