# 351 Maidstone Road

351 Maidstone Road is a National Autistic Society (NAS) accredited **residential care home** in Maidstone, Kent. We provide support **for up to five males** with learning disabilities, autism, challenging behaviour and mental health needs.

Our **large detached house** has a spacious communal back garden, lounge, dining room, kitchen and quiet area. All bedrooms have **en-suite washrooms** and three of these rooms have their own shower for added independence.

We have great **public transport links** to the local town and shopping centre, meaning the people we support can travel to places **independently**. We also love taking **day trips to London** using our **service car**!

We enjoy taking part in **community activities** such as bowling, swimming and trips to Riverside Country Park or the seaside. Our sister service, 579 Maidstone Road is close to our home, so we often join them for organised **parties and events**!

We also help people to **plan and book holidays**. Our most recent holidays include exciting places like France and the Chessington World of Adventures!

## Supporting you

Our home has a main house and an **annex**, which features a separate lounge, kitchen and large bedroom with an en-suite bathroom. This provides **independence** for an individual requiring less support or more personal space for someone requiring intensive one to one support.

We provide the people we support with opportunities to further their **education** through local colleges or assist with **employment**.

Our dedicated team support tenants to develop their **independent living skills** such as budgeting, personal care and managing their household responsibilities.

We encourage each person to develop individually and use **personal coping strategies**. We also work with a consultant psychiatrist and psychologist to offer the best support possible.
