# Sadlers Place

Sadlers Place is a residential care home in Walsall. We provide **high quality support** for up to nine people with cerebral palsy, epilepsy, learning and physical disabilities.

Our goal is to promote independence and improve communication, while continuing to value the relationships the people we support share with their family and friends!

We encourage the people we support to pursue their **personal interests and hobbies** such as attending discos, singing karaoke, playing games or taking part in music sessions.

Our home is in a great location, perfect for making trips into Walsall town centre, where we can enjoy various entertainment options such as the cinema, arcade, swimming pool and bowling alley.

## A place to call home

Our nine-bedroom home features two floors. Each bedroom has an en-suite bathroom with an **overhead ceiling tracking and hoist** for accessibility.

Our ground floor includes communal areas which feature a large lounge, spacious foyer, laundry room, open-plan kitchen-diner and toilet. The first floor has seven bedrooms and a medication room.

We also have a well-designed **activity room** and a fully-equipped **multi-sensory room**, which caters to both individuals or group activities.

Plus there's a wrap around garden with a large wooden gazebo where the people we support can relax or **participate in outdoor games and activities!**
