Chestnut Grange

Chestnut Grange is a residential care home located in Weston, Newark. Here, we provide **support for up to nine adults** with learning disabilities and autism.

Our home is a three-storey property with a welcoming atmosphere. The people we support **share communal areas** such as a spacious lounge, dining room, activity room and our very own pamper room.

In the summer we enjoy spending time outside in our **large garden**, playing football, garden games, growing vegetables and admiring all the wildlife who visit.

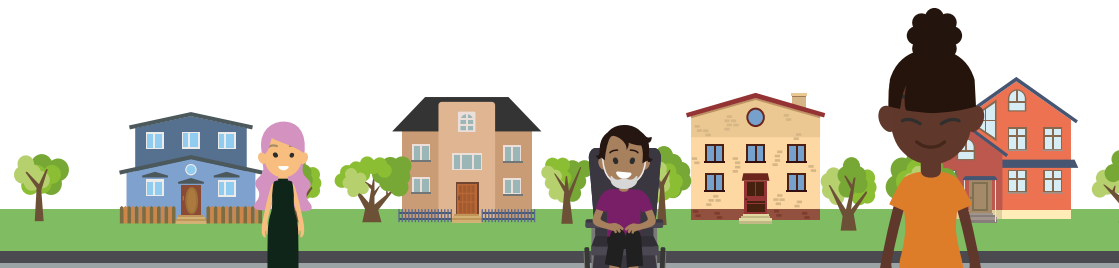

A place to call home

Our residents enjoy taking **day trips** to local pubs and theme parks in surrounding towns using public transport. Plus, we love **participating in community activities** such as, singing groups, swimming, horse riding and lots more.

The team at Chestnut Grange are approachable and warm. We encourage residents to be as independent as possible, support them to take control of their lives and **explore their own individual passions.**
