The vacancy

We currently have **one first floor vacancy** at Abbots Road. This spacious room is **furnished and decorated** in neutral colours. There is also a convenient wash basin located in the room.

We encourage the people we support to decorate their rooms with photographs of friends and family to make them **feel at home**.

The service has a **good choice of activities** for people we support to take part in, either in the house or out in the community.

Residents can choose to make use of **additional one on one hours** to do activities they wish to do, and current residents are very happy with the support they receive.
