128 Beech Hill

128 Beech Hill is a residential care home in Haywards Heath, West Sussex. We provide **support for up to four people** with autism, epilepsy and learning disabilities.

Our **four-bedroom home** is split across two floors. The ground floor has one bedroom, while the remaining three bedrooms are located on the first floor, which is accessible via stairs.

Each room can be decorated and **personalised to each individual's taste**. All bedrooms have access to communal washing facilities, equipped with both baths and showers.

Our **shared communal areas** include a spacious lounge, where you can socialise with our housemates, a fully equipped kitchen and a dining room to enjoy your meals.

Our home is in a prime location near local shops, and just a short walk to the town centre. We have excellent transport link nearby - great for **accessing the community!**

A place to call home

Our team encourage the people we support to achieve their goals and ambitions. We offer **one-to-one support** to empower individuals, helping them to live as independently as possible.

We believe it is important for the people we support to **make their own choices** including meal preparation, accessing the community and managing their medication and finances.

Our team ensure individuals stay active and entertained, making use of facilities in the local area. Our current housemates enjoy taking part in **leisure and community activities** such as swimming, visiting social clubs, arts and crafts and playing games.

Your needs at the centre of all we do

Whether you need support for a few hours or around the clock, our support teams can help you live a more independent life.

Your choice, you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We offer high quality, bespoke support and enable you to enjoy everyday life.

Your independence

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all decision making.

Use of technology

Where relevant, we work with you to identify assistive technology to enhance your support, reduce support hours and progress towards greater independence.

Quality care and support

We're committed to providing **high-quality, person-centred care and support**. Our goal is to help you live the fulfilling, meaningful and happy life you choose with as much or as little support as you need.

Our highly trained, specialist teams work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.
