Cleadon Court

Located in South Shields, Cleadon Court is a **purpose built brain injury rehabilitation service**.

As a ground-floor only property, it's perfect for those with **accessibility needs**. Split across two wings, our home benefits from eight en-suite bedrooms and five self-contained apartments.

Recently renovated, this **community-based residential care home** offers support at **every stage** of your brain injury rehabilitation journey. From initial hospital discharge to transition into independent living spaces, we do it all!

Featuring a **dedicated therapy room**, a therapy kitchen, en-suite bedrooms, and spacious communal areas, our home has been adapted to support goal-orientated rehabilitation.

We benefit from **excellent transport links**, convenient for visits from family and friends or accessing the local community.

Cleadon Court is also close to **cultural attractions** like museums and nature reserves, a local leisure centre, shopping outlets, and healthcare provisions.

Our approach

Our expert support team uses a **functional** approach to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

-  **Dedicated therapy room and training kitchen**, for on-site rehabilitation and practicing daily living skills!
-  **Five apartments**, for those seeking greater independence in a supportive, step down provision within the main home.
-  **Central communal areas** that encourage active participation and socialising with peers living in the home.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies range from **Art Therapy to Neuropsychology and Neurophysiotherapy**.

To support this, we provide a range of **functional and social activities** at home and in the local community.

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding*** by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to their support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.
