

John Cabot House, Bristol

BRAIN INJURY REHAB by

voyagecare

John Cabot House

Located in Bristol, John Cabot House is a **specialist brain injury rehabilitation service**, offering expert support in a friendly environment.

We have six bedrooms with en-suite facilities and **two self-contained ground floor apartments**, for those looking to be more independent.

The people we support are empowered to develop their skills through an **active rehabilitation pathway** and our team work with them to achieve their personal goals!

Our home has a **plenty of communal spaces**, including a large lounge - giving the people we support opportunities to socialise with others or spend time alone.

All bedrooms have **en-suite bathrooms** - ideal for private personal care needs.

Our team encourage the people we support to **maintain a positive relationship** within the community, by attending activities of their choice.

We have **great transport links**, for accessing the local community in Bristol and for trips further afield.

Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

Exercise equipment, empowering you to maintain a healthy lifestyle and regain lost mobility.

Dedicated therapy room, to support you on your rehabilitation pathway.

Community-based activities, so you can practice your skills in a fun and functional way.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include: **Occupational Therapy, Physiotherapy, Music Therapy, Psychotherapy and Speech and Language Therapy.**

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding** by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

About Voyage Care

Voyage Care is a sector-leading provider of specialist care and support to 3,500+ people with learning disabilities, autism, brain injuries and complex needs.

We offer person-centred care in a range of settings. This can be out and about in the community, in your own home or in one of our residential care homes.
