

Linnet Mews, Chesterfield

BRAIN INJURY REHAB by

voyagecare

Linnet Mews

Located in Chesterfield, Linnet Mews is a **purpose built brain injury rehabilitation centre**, dedicated to supporting up to ten individuals.

With **six ensuite bedrooms** for those needing extra support, and **four apartments** for those wanting more independence - it's the perfect place to start or continue your rehab journey!

Focusing on long-term goals, Linnet Mews specialises in **slow-stream rehabilitation**, helping individuals **regain lost skills** so that they can live more independently.

The first floor of our home houses our very own **therapy quarter**, including a fully equipped gym and therapy consultation room. This floor can be accessed via our **purpose built lift**.

Nestled in a quiet cul-de-sac, Linnet Mews is surrounded by trees providing a peaceful environment, but has easy access to **local amenities** too.

If you like exploring the outdoors, Linnet Mews is close to scenic parks. Plus, we also benefit from local health facilities, so you can **take control of your health and wellbeing**.

Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

Multi-functional gym, featuring specially selected equipment to enhance physiotherapy delivery.

Training kitchen, for those wanting to redevelop and put their daily living skills into practice!

Dedicated therapy quarter, to support all of your rehabilitation needs!

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include **Art Therapy, Neuropsychology and Neurophysiotherapy**.

To support your rehabilitation, we promote a range of **functional and social activities** at home and in the local community.

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding*** by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to their support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.

**Data accurate as of January 2024.*

All our brain injury rehabilitation services are rated **Good or Outstanding** by the **CQC!**

16 of our brain injury rehabilitation services are **accredited by Headway**

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

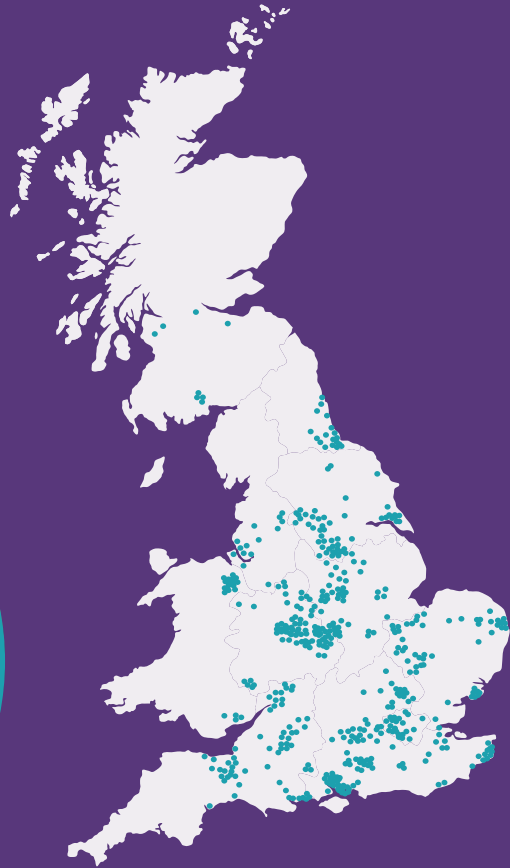

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

About Voyage Care

Voyage Care is a sector-leading provider of specialist care and support to 3,500+ people with learning disabilities, autism, brain injuries and complex needs.

We offer person-centred care in a range of settings. This can be out and about in the community, in your own home or in one of our residential care homes.
