

Theoc House, Gloucestershire

Theoc House

Located in Gloucestershire, Theoc House is a **specialist brain injury rehabilitation service**, offering expert support in a friendly environment.

Our home has seven bedrooms in the main building and **two self-contained flats** for transitional and independent living.

The people we support are empowered to develop their skills along an **active rehabilitation pathway** and are supported to achieve their goals!

Our home offers plenty of space for **socialising and engaging** with housemates.

Bedrooms in the main house are equipped with their **own en-suite bathrooms** - ideal for private personal care needs.

Our self-contained flats are **wheelchair accessible** - perfect for those with limited mobility.

We can also provide **ceiling tracking** in the bedrooms if required.

We're close to **great transport links**, convenient for accessing the local community.

Our approach

Our expert support team uses a **functional approach** to brain injury rehabilitation.

They'll support you to **redevelop everyday skills**, empowering you to reach your goals and achieve a level of independence that's right for you.

Your wellbeing

Our home is designed to support both your rehabilitation pathway and overall wellbeing. We benefit from:

Exercise equipment, supporting you to live an active and healthy lifestyle and accessing physiotherapy sessions.

Clinically trained staff, to support you with your medical needs - such as catheter management.

In-house activities, to aid emotional wellbeing and empower you to discover new hobbies.

We work with expert therapists who tailor therapy sessions to meet your needs and support your rehabilitation goals. Our current therapies include, **Cognitive Behavioural Therapy (CBT), Occupational Therapy, Physiotherapy, Speech and Language Therapy and Music Therapy.**

Our commitment to quality

We're committed to providing person-centred, high quality care and support – demonstrated by **all of our brain injury rehabilitation services rated Good or Outstanding** by the Care Quality Commission.

Our highly trained, specialist teams use an individualised approach to support. We're committed to supporting you in a way that works for you – with reliability and consistency. You can rest assured your needs are at the centre of all we do.

Your needs at the centre of all we do

Whether you're just starting your rehabilitation journey, or looking to transition back into the community, our support enables you to live a more independent life.

Your choice - you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We use slow stream rehabilitation to help you regain the skills you need to live more independently.

Expert professionals

Our expert support teams collaborate with qualified therapists to provide you with support that meets your needs, and helps you reach your goals.

Use of technology

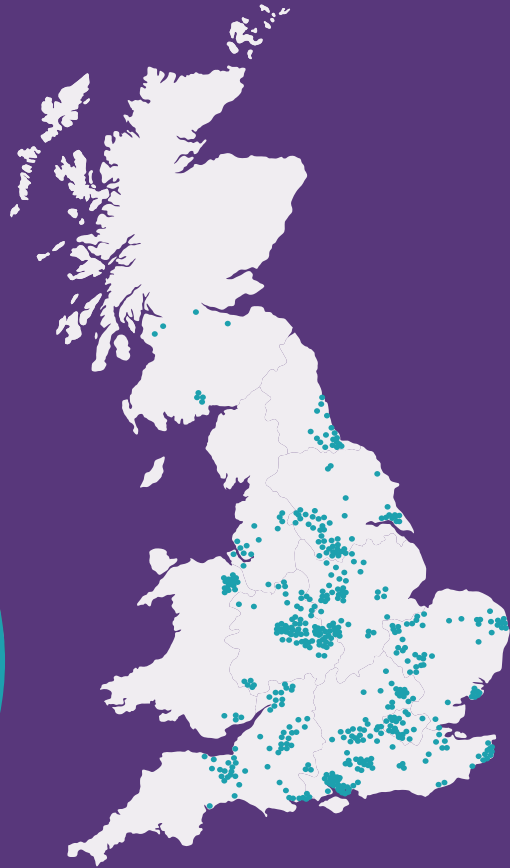

Where relevant, we work with you and your therapists to identify assistive technology to enhance your support.

About Voyage Care

Voyage Care is a sector-leading provider of specialist care and support to 3,500+ people with learning disabilities, autism, brain injuries and complex needs.

We offer person-centred care in a range of settings. This can be out and about in the community, in your own home or in one of our residential care homes.
