82 Coombe Road

82 Coombe Road is a **residential care home** located in Croydon. Here, we provide exceptional care and support **for up to seven people** with learning disabilities, challenging behaviour and mental health needs.

Our period style home has seven bedrooms, which the team encourage the people we support to **decorate to their own personal style and taste**. We also benefit from three wet rooms and two bathrooms.

The people we support have access to **shared communal areas**, including a lounge, kitchen, sensory room and conservatory. Our home is **surrounded by lawned gardens** - perfect for enjoying the sunshine in the warmer months.

We have a **variety of local amenities nearby**, including a park, tram stop, wellbeing centre, indoor bicycle track and Croydon shopping centre!

A place to call home

Our home is ideal for someone looking for a **place to call home!**

We encourage active participation in the community to foster meaningful relationships and **build social skills**. We benefit from being close to a day centre, empowering the people we support to explore life outside the home.

Our current housemates enjoy going to discos, attending church services, visiting farms and going cycling! They also have the opportunity to choose a **holiday of their choice, once a year!**
