The Maltings

The Maltings is a residential care home set on the outskirts of Calne, a rural town in Wiltshire. We provide **support for three people aged 50+** with autism, Down's syndrome, epilepsy and learning disabilities.

Our three-bedroom bungalow is wheel chair accessible with ramps to access all entrances. We have **plenty of communal areas** including a spacious lounge, kitchen, dining room and two additional shower rooms. We also have a lovely secluded garden - perfect for outdoor activities!

We benefit from a number of **local amenities**, such as shops, pubs and cafés - great for a coffee break! If you're feeling adventurous, there are handy public transport routes that can take you further afield!

A place to call home

Our **experienced and caring team** put the people we support at the heart of everything we do, helping them to lead fulfilling and active lives. Several members of our team have worked at The Maltings for over 15 years!

The people we support love participating in **a range of in-house and community activities**, including family visits, arts and crafts, cooking, baking and gardening.

We enjoy exploring **surrounding areas** such as Lacock, Amesbury and Bradford-on-Avon, and we are close to the neighbouring towns of Chippenham and Swindon.
