The Knowls

The Knowls is a residential care home located in Somerset. We provide 24-hour **specialist support for up to 13 individuals** with a range of learning and physical disabilities, brain injuries, autism, visual and hearing impairments and challenging behaviour.

Our home is a large Victorian house with lots of character. We have plenty of **spacious communal areas**, including three lounges, an art room, a large dining room, two training kitchens and a main kitchen - available for everyone to use with the appropriate supervision and support.

We also have **two separate gardens** including a patio area - great for enjoying sports, barbecues and tea parties in the summer.

We encourage the people we support to use the garden regularly, with those that enjoy gardening encouraged to **grow their own vegetables!**

A place to call home

Our home is located with **easy access to public transport links**. There are several amenities nearby, including supermarkets and cafés.

We **empower the people we support** to be the best they can be, through adapted environments and state of the art approaches, enabling them to thrive!

We have a **culture of open support**, which ensures we deliver person-centred care to a high standard. Our team supports each person to develop their feelings and emotions in a positive way, helping them to achieve their own personal goals and aspirations.
