About our home

Located in the heart of Dudley, Cedar Road is a **warm, welcoming residential home** offering specialist support for those with an acquired brain injury (ABI), physical disabilities, and mental health conditions.

Our purpose-built home has been thoughtfully designed to support the wide-ranging needs of the people we support. Fully accessible throughout, we benefit from private **en-suite bedrooms for independence**, and a **range of communal areas** for building connections with others.

Enjoying a pleasant spot within an **active residential area**, our home offers lots of opportunities for **developing skills** and **engaging with the local community**. We benefit from:

- ✓ Modern, spacious bedrooms.
- ✓ Wheelchair friendly accommodation, with the option of overhead tracking and a hoist.
- ✓ Nearby transport links connecting us to the local community, and providing easy access for friends and family.

Our dedicated brain injury support pathway

For those recovering from an acquired brain injury, we tailor our support to **meet your individual needs and goals**. Through **innovative person-centred support**, we identify areas for developing your abilities, increasing your confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design functional support that enhances skills and nurtures meaningful connections within the community.

Together, we'll work with you to **co-create a care plan** that reflects what's important to you, ensuring we **support you to achieve your aspirations**.

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future**.

Promoting wellbeing
