

Walker Lodge

Specialist brain injury rehabilitation service in Liverpool, Merseyside

voyagecare

About our home

Located in Merseyside, Walker Lodge is a **residential care home offering specialist support to those with acquired brain injuries and associated complex needs.**

Our purpose-built home is fully accessible, with private en-suite bedrooms for independence and welcoming communal areas for connection. Located in a lively urban area, it offers plenty of opportunities to build skills and engage with the local community.

Our home includes:

- ✓ Spacious modern, en-suite bedrooms.
- ✓ Wheelchair friendly accommodation, with the option of overhead tracking and a hoist.
- ✓ Nearby transport links, convenient for visits from friends and family.
- ✓ Access to a supportive, vibrant local community.

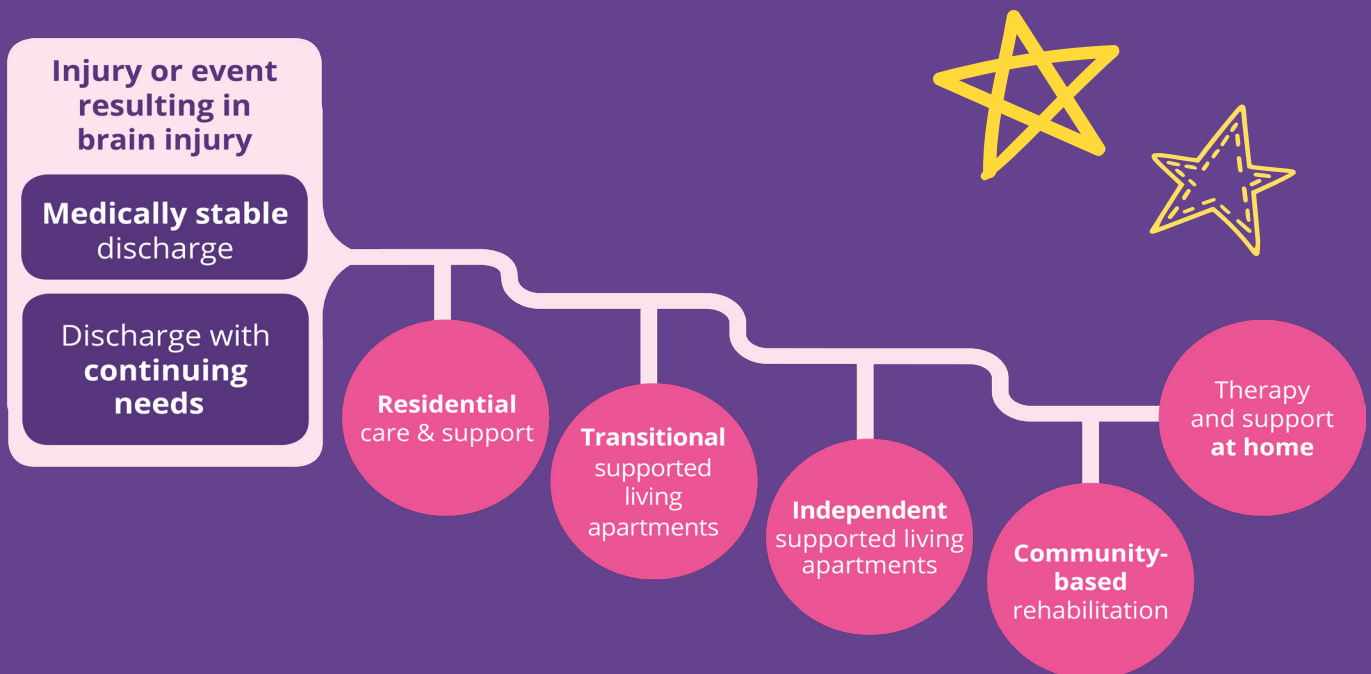

Our pathway

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your needs and goals**. Through **innovative person-centred support**, we identify areas for developing abilities, increasing confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design holistic support that enhances skills and nurtures **meaningful connections** within the community.

Together **we co-create care plans** reflecting what's important to you, ensuring we **support you to achieve your aspirations**.

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future**.

Promoting wellbeing

Each day is centred around **fun and functional activities**, so you can develop and practise your skills in everyday situations.

You are encouraged to take part in a range of **in-house activities, social opportunities, and community-based outings** that reflect your preferences and goals. Our expert team empower you to maintain your independence and **enjoy a good quality of life.**

Where appropriate, we offer **dedicated therapy sessions** where you're encouraged that set therapy goals to support you with achieving your aspirations. Our in-house Therapy Lead will work closely with your therapist to ensure your therapy goals are woven into everyday activities.

Our home is designed to support your **rehabilitation pathway and overall wellbeing**. We have a dedicated **therapy area**, including a training kitchen, to support you to redevelop independent living skills. We also benefit from nearby gym facilities, so you can **maintain a healthy lifestyle and regain lost mobility**.
