

London Road

Our specialist brain injury care
home in Gloucestershire

About our home

Located in Gloucestershire, London Road is a **specialist brain injury care home**, offering support for up to 10 adults living with an acquired brain injury and associated needs.

Our fully accessible home has **10 large bedrooms**, each with their own en-suite facilities for added privacy and independence.

We also have plenty of space for **socialising and engaging** with housemates, including:

- ✓ an activity room for enjoying meaningful hobbies
- ✓ a spacious communal lounge for relaxing
- ✓ a modern kitchen for redeveloping daily living skills

We're conveniently located near a wide range of local amenities, including healthcare facilities and a hospital. Excellent public transport links also provide easy access to Cheltenham and the Forest of Dean, keeping you well connected to the wider community.

Our pathway

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your needs and goals**. Through **innovative person-centred support**, we identify areas for developing your abilities, increasing your confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design functional support that enhances your skills and nurtures meaningful connections within the community.

Together, **we co-create care plans** reflecting what's important to you, ensuring we **support you to achieve your aspirations**.

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future**.

Promoting wellbeing

Each day is centred around **fun activities**, so you can develop and practice your skills in everyday situations both at home or in the community.

We ensure activities are **bespoke to your individual interests**, preferences, needs and values. Working with you, we source meaningful opportunities that support your goals and **promote quality of life**.
