## About our home

Located in Chesterfield, Linnet Mews is a **specialist residential home** offering specialist support for up to ten adults with acquired brain injuries and associated needs.

Our purpose-built home has six accessible en-suite bedrooms for full residential care, and four fully furnished, self-contained flats for those ready to embrace more independence.

We have plenty of space for **developing important skills**, including:

- ✓ **dedicated therapy quarter** on the first floor, accessible via a lift
- ✓ **accessible outdoor areas**, including a landscaped rear garden
- ✓ **multi-functional gym** to support physical rehabilitation

Located within the semi-rural village of Clowne, we have a range of local amenities within easy reach. Our surrounding vibrant community offers independent shops, health and wellbeing facilities, and scenic parks. We support you to find opportunities to pursue your interests while integrating with the local community.

# Our pathway

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your needs and goals**. Through **innovative person-centred support**, we identify areas for developing your abilities, increasing your confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design functional support that enhances your skills and nurtures meaningful connections within the community.

Together, **we co-create care plans** reflecting what's important to you, ensuring we **support you to achieve your aspirations**.

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future**.

# Wild Promoting wellbeing

Each day is centred around **fun and functional activities**, so you can develop and practice your skills in everyday situations.

We ensure activities are **bespoke to your individual interests**, preferences, needs and values. Working with you, we source meaningful opportunities that support your goals and **promote quality of life**.
