Longridge Court

Longridge Court is a residential care home in Stroud, Gloucestershire. Our dedicated team provides **support for up to 12 individuals** with autism, learning disabilities, cerebral palsy, low levels of challenging behaviour, and epilepsy.

Our home is **split into three dedicated areas**, comprising of our main house, an annexe, and a separate self-contained flat. Each of our rooms include a **dedicated en-suite wet room**, designed to offer privacy for personal care needs.

Designed with **accessibility in mind**, five of our bedrooms feature ceiling tracking to support ease of movement.

In addition to our **spacious living areas**, we have a dedicated sensory room and a shared bathroom.

In our lovely garden we have a peaceful pond and an allotment area, providing a **tranquil outdoor space** that the people we support truly enjoy!

A place to call home

Nestled on the edge of Stroud, our home offers a peaceful countryside environment with the **convenience of nearby shops**, supermarkets, a cinema, and a community library!

With **three vehicles available**, the people we support can travel easily to a wide range of activities of their choice.

The rural setting means we often enjoy visits from **local wildlife**!

Our **experienced team** are passionate about providing high-quality care. With specialist training in autism, Makaton, and epilepsy management, we **stay up to date with the latest knowledge**, empowering the people we support to thrive.

Your needs at the centre of all we do

Whether you need support for a few hours or around the clock, our support teams can help you live a more independent life.

Your choice, you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We offer high quality, bespoke support and enable you to enjoy everyday life.

Your independence

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all decision making.

Use of technology

Where relevant, we work with you to identify assistive technology to enhance your support, reduce support hours and progress towards greater independence.

Quality care and support

We're committed to providing **high-quality, person-centred care and support**. Our goal is to help you live the fulfilling, meaningful and happy life you choose, with as much or as little support as you need.

Our highly trained, specialist teams work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.
