South Highnam

South Highnam is an eight-bed **residential care home**, with four bedrooms on the ground floor and four on the first floor. Two of our rooms feature their own en-suite facilities, while several others boast delightful views overlooking the garden or the local park.

Designed for accessibility, our home features wet rooms, hoists, and adjustable beds to support those with mobility needs. We have welcoming communal areas, including a kitchen-diner and a lounge. Outside, you'll find a large garden with a pond and a fruit and vegetable patch – perfect for getting hands-on with some gardening!

A place to call home

We support a range of needs including learning disabilities, autism, physical disabilities, and challenging behaviour. We work with you to nurture your abilities, so you can lead the life you choose.

We're located in a beautiful semi-rural area, with a spacious park across the road and the town centre only a short drive away. We also have **our own vehicle available**, helping you to access the local community and take part in activities of your choice.

We love spending time together - whether it's shopping trips, strolls through the park, visiting the zoo, getting creative with arts and crafts, and playing bingo!
