

Theoc House

Specialist brain injury rehabilitation
service in Gloucester

voyagecare 

About our home

Located in Gloucestershire, Theoc House is a **specialist residential home** offering expert support for up to 10 people with acquired brain injuries and associated complex needs.

Our home has seven en-suite bedrooms in the main building and **two self-contained flats** for transitional and independent living.

We have plenty of space for **socialising and engaging** with housemates, including:

- ✓ A **welcoming lounge** for relaxing or hosting visitors.
- ✓ A spacious ground-floor kitchen-diner and an **adapted first-floor training kitchen**.
- ✓ Large outdoor areas, including a garden renovated by a person we support as part of their rehab journey.

Our pathway

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your needs and goals**. Through **innovative person-centred support**, we identify areas for developing your abilities, increasing your confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design functional support that enhances your skills and nurtures meaningful connections within the community.

Together, **we co-create care plans** reflecting what's important to you, ensuring we **support you to achieve your aspirations**.

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future**.

Promoting wellbeing

Each day is centred around **fun and functional activities**, so you can develop and practice your skills in everyday situations.

We ensure activities are **bespoke to your individual interests**, preferences, needs and values. Working with you, we source meaningful opportunities that support your goals and **promote quality of life**.

As part of our person-centred approach to brain injury rehab, we work with **expert therapists who tailor therapy sessions** to meet your needs and goals. Our current therapies include **Occupational Therapy, Physiotherapy, Neuro-Music Therapy, and Speech and Language Therapy**.

Our home is designed to **support both your rehabilitation pathway and overall wellbeing**. We benefit from exercise equipment, empowering you to **maintain a healthy lifestyle** and **regain lost mobility**, as well as a dedicated therapy room, to support therapy delivery.
