Weaver House

Weaver House is a **residential care home** supporting up to six young adults with a learning disability or autism, who are **transitioning into adulthood**. This home is perfect for those aged **18-25** who are looking to develop their independent living skills.

This service is located in Bulkington, Warwickshire and has lots of **great amenities nearby**, including parks, shops and transport links. The home is also near local colleges, offering access to further education or voluntary employment opportunities.

We encourage you to take part in hobbies and activities you enjoy and this includes supporting you to access nearby day centres. There's also a weekly disco for adults with a learning disability in the local area, which is a great opportunity to **have fun and make new friends!**

A place to call home

Weaver House has an open plan kitchen, dining and living room area on the ground floor. There's also a **private garden** to enjoy and relax in.

This home has **four double bedrooms** on the second floor of the property. Two of the bedrooms have en-suite facilities and there's a communal bathroom on the same floor. There is also one bedroom on the ground floor with access to a separate bathroom.

There is a **self-contained flat** at the rear of the house which can be accessed from the outside or by the main house. The flat is equipped with a kitchen, lounge and dining area, along with an en-suite bedroom. This flat would be ideal for someone looking for more privacy.

Your needs at the centre of all we do

No matter how much support you need, our expert teams are here to help you live a more independent life.

Your choice, you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We offer high quality, bespoke care and support and enable you to live your life the way you choose.

Your independence

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all of the decision making.

Use of technology

We help identify assistive technology to enhance your support, and progress towards greater independence.

Quality Care & support!

We're committed to providing **high-quality, person-centred care and support.**

Our highly trained, specialist teams work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.
