

Located in the heart of Middlesbrough, Woodlands is a warm, welcoming residential home offering specialist support to those with an acquired brain injury.

Enjoying a pleasant spot within an highly sought after residential area, our home offers lots of opportunities for developing skills and engaging with the local community. We benefit from:

- Modern, spacious bedrooms and separate independent living bungalows.
- Wheelchair friendly accommodation, with the option of accessibility equipment.
- Nearby transport links, convenient for visits from friends and family.
- Access to a supportive, vibrant local community.

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your individual needs and goals.** Through **innovative person-centred support**, we identify areas for developing your abilities, increasing your confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design functional support that enhances skills and nurtures meaningful connections within the community.

Together, we'll work with you to **co-create a care plan** that reflects what's important to you, ensuring we **support you to achieve your aspirations.**

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future.**

Each day is centred around **fun and functional therapeutic activities**, so you develop and practice skills in everyday situations.

We ensure activities are **bespoke to your interests**, preferences, needs, and values. Working closely with you, we source meaningful opportunities that support your goals and **promote your quality of life.**

As part of our person-centred approach to brain injury rehab, we work with **expert therapists who tailor therapy sessions** to meet your unique needs and goals. Our current therapies include **Occupational Therapy, Neuro-Physiotherapy, Creative Therapies, and Speech and Language Therapy.**

Our home is designed to support your rehabilitation pathway and overall wellbeing. We have a dedicated activity area complete with therapeutic equipment, generous outdoor spaces including a separate mindfulness garden and bird boxes to attract local wildlife. We benefit from access to nearby health and leisure facilities, so you can maintain a healthy lifestyle and regain lost mobility.
