Ladycroft Respite

Ladycroft respite is a care home located in Wath-upon-Deane, offering respite support for up to six individuals with learning and physical disabilities, autism, cerebral palsy, epilepsy, and Down's syndrome.

Our **spacious, detached** home is wheelchair accessible and features six en-suite bedrooms. Three of which have been designed with ceiling tracking hoists to meet additional mobility needs. Two of our rooms have been enhanced with private kitchenettes and washing facilities, ideal for those seeking further independence.

Beyond the privacy of your own space, you'll find plenty of **communal areas**, such as a lounge, dining room and kitchen - perfect for socialising with others or simply relaxing by yourself!

Our **private garden** offers a peaceful retreat - for those wanting to relax outdoors!

A place to call home

At Ladycroft respite, we provide **24-hour support**, with two waking night team members on duty to ensure consistent, person-centred care.

Each team member receives **regular training**, such as specialist modules in autism, epilepsy, and the safe administration of rescue medication. This ensures the people we support feel heard, understood, and empowered.

We are located **close to public transport links**, providing easy access to places further afield for those who wish to explore.

We encourage everyone to enjoy activities of their choice! Some of our favourites are bowling and playing board games. Whether relaxing at home or out exploring, there's always **something to enjoy!**
