Ruddington View

At Ruddington View, our expert team are experienced in supporting a range of needs and conditions, including **learning disabilities, autism, mental health conditions and moderate challenging behaviour.**

We have a main residential home where we offer **long-term support.** It has four comfortable bedrooms, each with their own en-suite facilities. There are lots of communal areas, including a kitchen, living room, dining room, and a spacious garden.

We also have **two unplanned care flats** where we offer acute support to people experiencing crisis. Each flat is adapted to safely meet individual needs and is complete with a bedroom, bathroom, kitchen, and living area.

A place to call home

Located in a peaceful village, **there's lots to do in the surrounding area,** including shops, cafés, a cinema, and sports facilities. We also have great transport links connecting us to Nottingham city centre.

We empower the people we support to embrace meaningful opportunities, **try new activities, and explore nearby places.** This could be joining a local club, shopping, or enjoying a fun day out. As a home, we love to have themed activity evenings, including movie nights.

We deliver specialist **person-centred support** that offers each person the stability and continuity of care needed to achieve positive outcomes. Whether they join us for acute care, longer-term support, or as a transitional step to living in the community, we use bespoke support plans focused on individual goals.

Quality Care & support!

We're committed to providing **high-quality, person-centred care and support.**
