Five Penny House

Five Penny House is a residential care home located in Hartlepool, County Durham. Our home **supports up to six females** with a learning disability, physical disabilities and additional communication needs. Our team also has experience supporting individuals with epilepsy, dementia, diabetes and dysphagia, with training provided for other needs as required.

Situated in a **quiet residential area**, Five Penny House benefits from a variety of communal areas, including a bright and open kitchen, lounge and dining space. We also have an expansive garden, perfect if you love spending time outdoors.

Our home is **accessible throughout**, with access to hoists and mobility aids, alongside wet rooms for personal care needs. Our six bedrooms are located on the first floor, with **lift access**.

A place to call home

Our home is within **easy reach of local amenities**, including a shopping centre, a cinema, supermarkets and a range of places to eat! Well connected to Hartlepool, we have fantastic transport links, making it easy to **access the local community and beyond**.

As a home, we love taking day trips to places of interest. These include the Sea Life Centre, the seaside and Beamish. Access to these places is made easy with our **dedicated service vehicle**!

We enjoy doing **in-home activities too!** Arts and crafts, listening to music and audio books, watching movies, playing games and creating themed days for annual celebrations (such as easter), are some of our favourites!

Your needs at the centre of all we do

No matter how much support you need, our expert teams are here to help you live a more independent life.

Your choice, you're in control

We tailor your support around your needs and choices. You can rely on us for safe, flexible and personalised support.

Support to live your life

We offer high quality, bespoke care and support and enable you to live your life the way you choose.

Your independence

Through careful planning and reviews, we'll provide 'just enough' support, putting you at the centre of all of the decision making.

Use of technology

We help identify assistive technology to enhance your support, and progress towards greater independence.

Quality Care & support!

We're committed to providing **high-quality, person-centred care and support.**

Our highly trained, specialist teams work with you to co-create personalised support plans focusing on your interests, priorities and skills. You can rest assured your needs are at the centre of all we do.
