

Sanderling House

Specialist brain injury rehabilitation
service in Liverpool, Merseyside

voyagecare 

About our home

Located in semi-rural residential area of Merseyside, Sanderling House offers specialist support for up to **seven people with aquired brain injuries, neurobehavioural needs and complex mental health needs.**

Through a community-based, functional approach, we work with you to regain lost skills and achieve a **level of independence that's right for you.**

Our charming home offers plenty of opportunities for developing important skills and relationships with others, including:

- ✓ A cosy communal lounge for socialising.
- ✓ A large kitchen-diner, perfect for practicing daily living skills.
- ✓ A spacious garden, complete with a patio/seating area for enjoying time outdoors.
- ✓ The local community offers excellent amenities, including pretty parks, essential shops and the **opportunity to connect with others** at the community leisure centre.

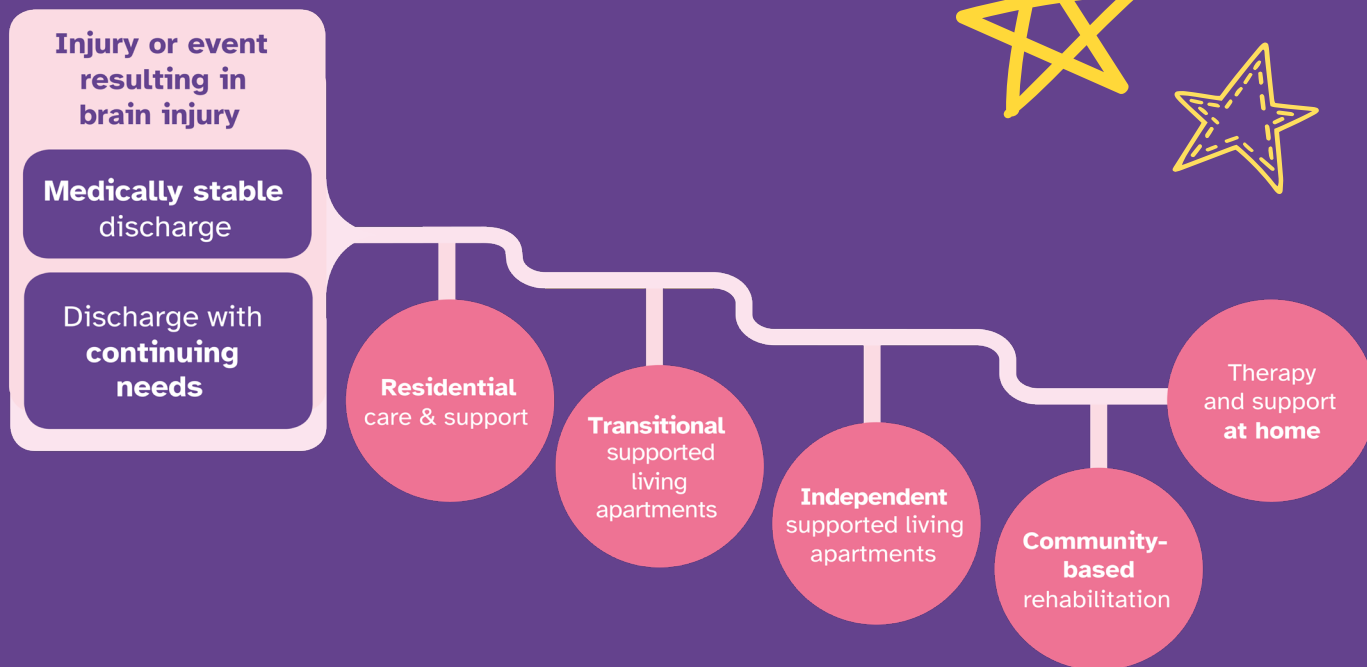

Our pathway

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your needs and goals**. Through **innovative person-centred support**, we identify areas for developing abilities, increasing confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design holistic support that enhances skills and nurtures meaningful connections within the community.

Together **we co-create care plans** reflecting what's important to you, ensuring we **support you to achieve your aspirations**.

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future**.

Promoting wellbeing

To learn more about **Sanderling House** on our website!

Each day is centred around **fun and functional activities**, so you can develop and practice your skills in everyday situations.

We ensure activities are **bespoke to your interests**, preferences, needs and values. Working with you, we source meaningful opportunities that support your goals and **promote quality of life**.

As part of our person-centred approach, we work with **expert therapists who tailor therapy sessions** to meet your needs and goals. Our current therapies include **Neuro-music Therapy, Occupational Therapy, and Speech and Language Therapy.**

Our home is designed to **support your rehabilitation pathway and overall wellbeing.** We have a dedicated **therapy area**, including a training kitchen, to support you to redevelop independent living skills. We benefit from nearby gym facilities, so you can **maintain a healthy lifestyle and regain lost mobility.**

Voyage Care has
200+ places for
community based
