

Voyage Care is expanding - Let's grow together!

Voyage Care is the **leading provider** of specialist care and support for adults with complex needs.

We're on an **exciting journey to expand our portfolio** and enable more people to live fulfilling lives.

We're **looking for new development prospects** across the UK to build state of the art care homes and supported living services.

Our ideal sites

- 0.5 to 3 acre sites for new builds
- Existing buildings for conversion and refurbishment
- Freeholds preferred
- Predominantly in residential areas
- Close to local amenities and good transport links
