About
our home

Located in Nuneaton, Marner House is a **residential brain injury rehabilitation home,** offering support for up to 12 people living with acquired brain injuries, epilepsy, physical disabilities, behavioural needs, and mental health challenges.

Our fully accessible home has **eight spacious bedrooms.** We also have **four flats,** for those ready to transition to more independent living!

Our home has plenty of space for **re developing both daily living and social skills,** including:

- ✅ functional training kitchen adapted for mobility needs

- ✅ a gym for maintaining a healthy lifestyle

- ✅ dedicated therapy room for private consultations

We're situated in a quiet residential area, **overlooking a peaceful canal.** With a bus and train station nearby, getting around is effortless and convenient. Plus, local shopping, gyms, and other amenities are just a short distance away!
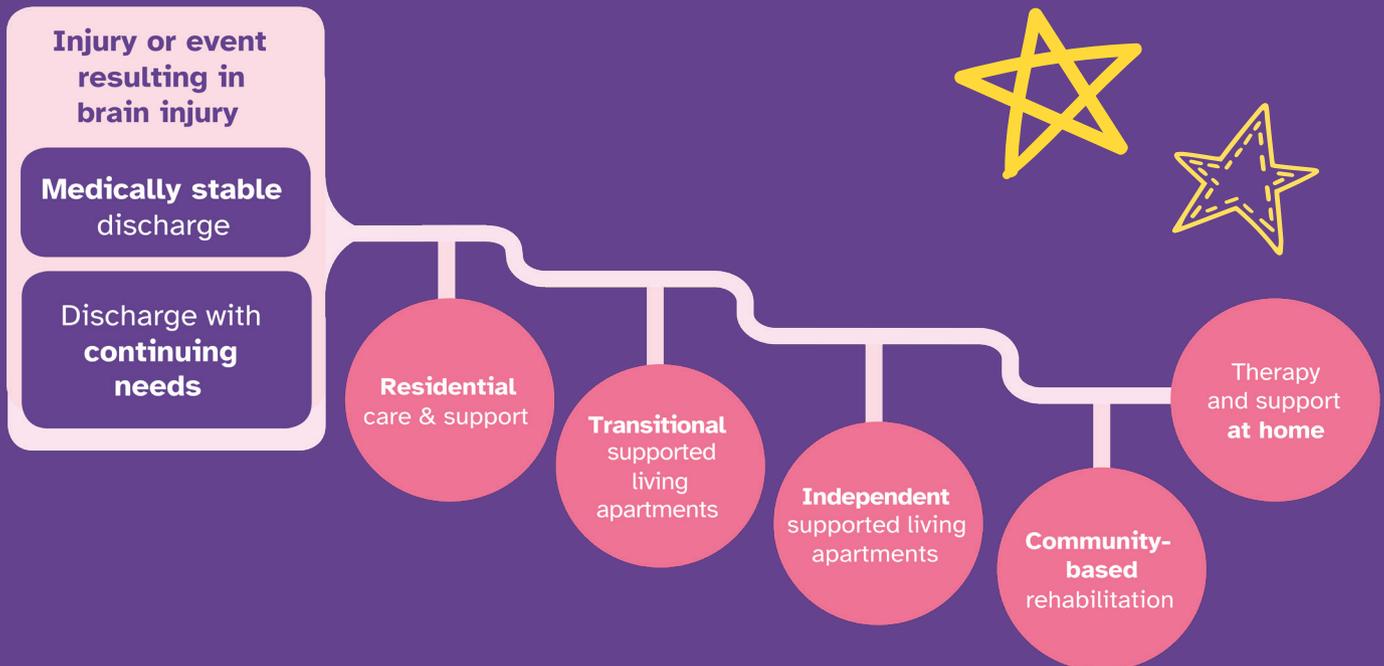

Our
pathway

We understand everyone's brain injury experience is unique, so we tailor our support to **meet your needs and goals.** Through **innovative person-centred support**, we identify areas for developing your abilities, increasing your confidence, and making **positive steps towards independent living**.

We focus on rehabilitation potential and design functional support that enhances your skills and nurtures meaningful connections within the community.

Together, **we co-create care plans** reflecting what's important to you, ensuring we **support you to achieve your aspirations.**

Our goal is to **support you to regain lost skills**, reclaim your independence, and **establish a meaningful future.**
