

# Signing up to the Driving Up Quality Code in Voyage Care

Feedback from the people we support and our action plan.

The Driving up Quality Code says how to support people with a learning disability well.

WE'VE SIGNED UP TO

DRIVING UP  
QUALITY

Voyage Care has signed up to the Driving up Quality Code.

This shows that Voyage Care believes in good support.

We have spent time thinking about the Driving Up Quality Code and the support that we provide.

We want to understand what works well at Voyage Care for people we support and how to make things better.

We plan to involve lots of people including people we support, families and our staff.

We have asked people at 'Growing Together' events to start to look at the Driving Up Quality Code.

'Growing Together' events are planned by people we support to share their ideas and views.

# DRIVING UP QUALITY

The 'Growing Together' events have focused on the 5 areas of the Driving Up Quality Code.

This document tells you what people said at the first events.

We used the feedback from the events to make an action plan.

## Feedback from the Growing Together events

### 1. Your support is all about you

People said that they have good care and support from Voyage Care.

Voyage Care supports people to make choices.

People feel that Voyage Care staff are trained to support people well.

Voyage Care listen and change when people supported or their family say it's not working.

Voyage Care work with people to help them make their lives better.

Voyage Care support people to choose their goals and look at how things have improved.

Voyage Care do not measure what they do in the same way for all of the support they deliver.

Voyage Care could improve the information provided for families about how we will work together.

## **2. You are supported to have an ordinary and meaningful life**

People feel that Voyage Care support them to have the best life they can.

People are encouraged to develop friendships and relationships.

People feel that they are supported to keep safe while having an active life.

Voyage Care could use more tools to increase awareness about local communities and activities.

### **3. Your care and support helps you to be happy and to have a good life**
