Happy birthday Voyage Care

On 1 February, Voyage Care turned 30 years old.

We celebrated with an open day at group support in Lichfield.

There were lots of colourful decorations.

We had a birthday party theme.

We decorated party hats with glitter and shapes.

Everyone got to wear their hat and take it home.

Lunch was very tasty. We had sandwiches, chicken nuggets and sausage rolls.
We also had some beautiful Voyage Care cupcakes to celebrate our birthday. They tasted lovely.

There were lots of crafts to get involved in. Everyone coloured in their very own cupcake. The final cupcakes were amazing!

1 February was also Dignity Action Day. To celebrate, we drew around our hand and cut it out. People wrote what dignity means to them on the cut-out of their hand. We then stuck the hands on our dignity tree, like leaves. It looked really colourful.

Everyone had a wonderful time and said they would like to come again. We will be celebrating our 30 year anniversary all year.
Celebrating Christmas in style

Christmas is a time to have fun and celebrate with friends.

That’s exactly what some of you did!

People we support and staff held a black tie event in Burton.

They enjoyed a magician, disco and buffet.

Everyone got dressed up for the evening.

There was even a raffle!
People in Somerset hosted a fun-filled Christmas party.

Everyone dressed in red and enjoyed a Christmas meal and party.

There was a beautiful Christmas tree that brightened up the room.

Over 120 people from the South East had an amazing time at their Christmas party.

There was a live band, party food and fun competitions.

Everyone had great fun and loved showing off their best Christmas outfits!
Billy, who has a brain injury, lived at one of our homes in Merseyside for 14 years.

Last year he moved into his very own flat.

He now lives at Lorenzo Drive, our brain injury centre in Liverpool.

We asked Billy how he was getting on so far in his new home.

“He’s now got my own freedom and I am happy about it” said Billy.

Living at Lorenzo Drive has also given Billy more independence.

He said: “I am looking after my flat and keeping it clean”
Billy helped dig the ground where Lorenzo Drive was being built.

Lots of people joined Billy.
Including some school children who volunteered.

Billy enjoyed his first Christmas and New Year in his new home.

“I put my tree up, but I do want a bigger one next year” said Billy

Billy is already working towards his next move.
We wish him all the best!
On 14 February it is Valentine’s day.

We are running a Valentine’s competition. We would like you to write a love poem.

The winner will get cinema passes for themselves and a friend (and their support workers)

If you would like to enter, please send your poem to us:
